RACE DAY PACKET PICKUP

Packet Pick-Up will be available on race day, but we **STRONGLY** encourage you to pick it up in advance. After all, why stand in line when you could be getting your game face ready?

THE PACKET: RACE ENVELOPE & PARTICIPANT SHIRT

At Packet Pickup, you will receive a race envelope packet that contains your race bib (which also doubles as your timing chip) and safety pins. You will also receive your official participant shirt.

NO CONFIRMATION OR ID REQUIRED

We currently do not require photo ID or official confirmation to pickup your packet for this event as long as this privilege is not abused. Simply know your bib# that was sent to you in a pre-race email or you can look up your bib# when you arrive at packet pickup.

CAN A FRIEND PICK UP MY PACKET FOR ME?

Yes! We currently allow you to pick up packets for as many friends as you'd like at advanced packet pickup. Please just know their bib #. If this privilege is abused, we will be forced to ask for photo ID and proxy forms. Please don't abuse this and give a bib to someone that didn't register. These runners are considered bandits and are a major liability to us. Failure to comply will result in disqualification of all offending parties from the current race and a ban for the following year.

SHIRT EXCHANGE

There will be a limited number of participant shirts and SWAG items for exchange on race day only. Supply is limited and changes as runners exchange one size for another. You may only exchange like items.

After event day, participant shirts can be exchanged upon request, but participants must cover the cost of shipping.

RUNNER SAFETY

COURSE MEDICAL RESOURCES

Medical resources and assistance are available at the race's start, finish, water stations and roving around the course. If you need assistance, please notify the nearest medical personnel or event volunteer. There are water stations located on the course to keep you hydrated. However, it is best to be self-sufficient so please carry your own water bottle or hydration vest on course.

DROPPING OUT OF THE RACE

We want all runners to have an amazing running experience, but we know that sometimes it's "just not your day." Listen to your body and do not continue running if you experience symptoms that are not familiar to you. If you are unable to continue or finish the race, ask the nearest race official for assistance. If you are feeling ill on race morning, stay home. There's always next year and your health is more important. Please note, our race staff and volunteers are not allowed to transport runners in their personal vehicles. Unless you have a true medical emergency, you may be asked to call for a ride.

RACE DAY WEATHER CANCELLATION POLICY

We want the race to happen just as much as you! We'll do everything in our power to have things go off as scheduled. That being said, excessive rain or other hazardous weather might cause us to modify or cancel the event. Any announcements regarding weather will be made on our Facebook page, and emailed/texted to you.

LOST & FOUND

Lost & Found on race day will be located inside the Pink Gorilla Events headquarters tent at Werner Park Stadium. After the race, make inquiries at ask@pinkgorillaevents.com
